Conditions of participation

The participation fee for the two-day Online Congress includes the „TSI Congress in a box“ (Please note that the „TSI Congress in a box“ requires registration until 15 september and only the first 350 registered virtual attendees can be considered). You will have access to the entire event platform incl. mobile format or app and all digital Congress information incl. video material on demand. A replacement delegate may, of course, be named.

Data protection

My data will be collected, processed and used by True Sale International GmbH (TSI) for registration (including for lists of participants on the webpages of the Congress in the closed area for participants) and in this context will also be forwarded to third parties who are contracted in connection with the realisation of the event and who are required to comply with the European Union General Data Protection Regulation (GDPR), especially the technical-organisational measures pursuant to Art 32 GDPR. Please note that photographs taken at the event will also be used for publications on the internet and in printed media after the Congress.

The protection of your personal data is important to us. All data will be transmitted by TSI through a secure connection and will be protected from unauthorised third party access by modern encryption technology.
